Annual cardiovascular disease report: 2025

Version v1

Standard surveillance section

This candidate report uses only the declared approved public CVD-event and mortality releases. The completed standard section will add reviewed tables, figures and annual interpretation without changing this source boundary.

Declared CVD-event release: cvd_2026_01

Declared mortality release: mort_2026_07

Interpretation

Placeholder for the 2025 annual interpretation. This walking-skeleton candidate is not a published annual report.

Focus On: placeholder

Placeholder for the 2025 Focus On chapter. Replace with reviewed text and approved assets before publication.
